

Dynacom N900 Series

Network Video Recorder / Server

The network Dynacom Nxx series NVR / Server are premium network video recorders and servers supporting 1080p local display and IP camera Plug & Play automatic installation. Additionally, the N900 series NVR/Servers integrates IP camera dual streaming function. It is an ideal recording solution for system integrators and installers applicable from small convenience stores

and merchandise stores to medium-sized surveillance systems and projects.

With local display output ports, the N900 series NVR/Servers offers users Full HD crystal clear video on local monitor without additional devices. Supporting IP cameras dual streaming function and with 8, 12, 16, 24, 32 or 50 HDD slots, the N900 series NVR /Servers are perfect storage allowing system integrators to reduce expenditure on network bandwidth

and equipments, camera power supplies, cablings and installations.

The Dynacom ™ VMS software provides N900 series NVR/Servers users a scalable solution for project applications. Moreover, users are able to monitor remotely by using specific mobile device APP on iPhone, iPad and Android smart phones in the markets.

Key Features

Enterprise Network Video Recorder

- HD Megapixel NVR
- Hot swap and RAID (0,1,5,6,10, 50,60) Controller
- Multi vendor IP camera support
- 2x SATA Dom / 2xSSD
- Support 7x24 Technical Services

Humane Technology

- Full HD GUI
- Joystick Support
- AVI File Export
- Smart Search
- USB Mouse / Keyboard Support
- Watermark Support
- Digital Zoom

Modular Upgrade Kits

- Joystick
- e-SATA External Storage

Advanced Functions

- Embedded Operating System
- Client/Server System
- Full HD Local Display Output
- Max. 64 IP Channels Support
- H.264 / MPEG 4 / MJPEG Recording and Playback
- IP Camera Plug & Play Support
- IP Camera Dual Streams Support
- Max. 50 SATA / SSD /SAS HDD BAYs
- 10 TB HDD Support
- Per Channel Recording Configuration
- UPnP™ Support
- ONVIF and RTSP Support
- Multi vendor camera support (more than 100 brands)
- iPhone, iPad and Android Smart Phones APPs Support

Dynacom N900 Series - Server / Network Video Recorder
